

***Thunder Mountain Elementary
PTA Meeting Minutes
January 11, 2011 * Library***

In attendance: Mary Gorsuch, Diana Nikkari, Diane Carver, Jerri Hahnenberg, Laura Arevian, Kim Holman, Andy Nikkari

Mary called the meeting to order at 6:00 p.m.

The minutes from the November 9, 2010 meeting were reviewed. Kim moved to approve the minutes from the November 9, 2010 meeting; seconded by Diane. Motion passed unanimously.

Diane said that Promethean boards have been purchased for the computer lab and the art and music rooms. We were also able to purchase 32 “clickers” for use in classrooms. The proceeds from the Butter Braids fundraiser were used for these acquisitions.

Mary reported on the IRS fine that is being levied due to a late filing of our 990 form. The CPA has been working on this and has reportedly filed the necessary paperwork. Hopefully this issue will be resolved quickly.

Mary noted that the Colorado PTA has a great brochure that we may be interested in distributing to our parents. We will look into getting more of these brochures.

The status of the book room was discussed. Laura and Diana will meet this week to compile a list of books to order. The intermediate teachers have already made their request.

Andy and Jerri noted the “Safe Routes to School” program, which awards grants to schools wanting to make improvements. Discussion ensued on parking lot safety, including the installation of speed bumps. Andy will look into the cost and durability of plastic/rubber speed bumps vs. those made of asphalt.

Meeting adjourned at 6:52 p.m.
