# What is SafeStop?

**SAFE STOP**™

SafeStop is the app that finally answers the question, **"Where's the bus?"**

## PEACE OF MIND

Built for parents like you, this app gives detailed vehicle information including its location and its expected arrival time at your bus stop. SafeStop is here to bring you peace of mind and convenience right at your fingertips!

## FEATURES

→ A real-time map showing you where your child's bus is located

→ Expected arrival times for your bus stop

→ An Alerts & Messaging center displaying important updates from your school or transportation provider

Available for **FREE!**

## Getting started is now **even easier**!
